CHAUCER HOLDINGS PLC

Chaucer Holdings PLC is diversified insurance group. We underwrite business at Lloyd's, the world's leading insurance and reinsurance market.

Our business

We are an independent business, built on underwriting expertise.

We are committed to underwriting excellence and our objective is to build a leading Lloyd's insurer.

We deploy specialist underwriters in over 28 major insurance and reinsurance classes, balancing global marine, energy, non-marine and aviation with UK motor and nuclear.

Our underwriters work hard to position themselves uppermost in the thoughts of brokers and clients seeking to place or renew

business. Our strategy is to be a leading underwriter within each major class of business that we write.

We support underwriting with a highly qualified and professional claims team, which has extensive Lloyd's marine and non-marine claims management experience.

We are also market leaders in turnkey solutions, which provide a practical solution for investors seeking a Lloyd's presence but not wishing to have a standalone managing agent.

Headquartered in London, we have international operations in Copenhagen, Houston and Singapore to provide access to high quality business worldwide.
