Chaucer appoints new Onshore Energy Underwriter

Chaucer, the specialist Lloyd's insurance group, is pleased to announce that Laura McDonagh has joined as Onshore Energy Underwriter. Laura will write worldwide downstream oil, gas, refining and petrochemical property business.

Laura is a well-regarded onshore and downstream underwriter who joins from Zurich Global, where she was responsible for the management of Zurich's oil and gas portfolio.

Kelan Hunt, Energy Practice Head at Chaucer commented:

"We have a market-leading Energy Team at Chaucer and Laura's arrival, with her in-depth onshore underwriting experience, will enhance our energy offering. In the current demanding market conditions, it is ever more important that we are able to provide the highest levels of expertise and service to our brokers and clients and I am very pleased that with Laura on board, we further extend Chaucer's capabilities across the energy industry."

Laura McDonagh, Onshore Energy Underwriter at Chaucer added:

"I am delighted to join Chaucer and I look forward to working with Kelan and his team to develop their successful onshore energy portfolio."
