Chaucer appoints Underwriter to launch Marine Professional Indemnity products

Chaucer, the specialist Lloyd's insurance group, has appointed Andy Wells to launch Chaucer's suite of Marine Professional Indemnity products. This is the latest addition to Chaucer's growing range of specialty solutions for marine and non-marine brokers and clients.

Andy Wells is a highly experienced and respected underwriter with over 26 years of marine industry experience. Andy joins Chaucer from Travelers Syndicate Management, where he underwrote a marine ports, professionals and logistics portfolio.

Andrew Voke, Marine Practice Head at Chaucer, commented:

"Andy Wells has an excellent reputation as an underwriter and, together with our Marine and Casualty Teams, I am sure that he will offer an excellent professional indemnity solution for marine brokers and clients."

Andy Wells, Marine Professional Indemnity Underwriter at Chaucer, added:

"I am excited at the prospect of taking Chaucer's market leading professional indemnity product range to the marine market. These products will further enhance Chaucer's leading specialty position in marine, as together we aim to provide clients and brokers with a single destination for their marine requirements."
