## Chaucer extends its award winning Graduate Programme to Denmark

At Chaucer, the specialist Lloyd's insurance group, we are extending our award winning Graduate Programme to Denmark, as we begin our search for a talented graduate to join us, initially at our Headquarters at the heart of the Lloyd's market in London, and then as an underwriting team member at Chaucer Copenhagen.

The Chaucer talent pathway

placement, account management and reinsurance.

This is a unique opportunity to be part of the Lloyd's market and to gain underwriting training and knowledge with one of the most respected and leading managing agents in London. Over your 18 months on the Programme, our specialist placements across the business will familiarise you with all the key areas of the underwriting process, including risk selection, pricing and

Following successful completion of our Programme, you will assume a permanent underwriting role at Chaucer Copenhagen, which provides a platform for our specialty products and Lloyd's capacity in Europe. Our Copenhagen office provides underwriting expertise and delivers a first class multilingual service to European clients seeking specialty Property, Marine and Accident and Health insurance solutions.

Headquartered in London, we have international operations in Copenhagen and Singapore, and affiliate offices in Miami and New York, providing access to high quality business worldwide.

Catrina McCaughey, our Talent and Development Consultant commented:

*"Our Underwriting Graduate Programme has been a huge success in London since launching in 2009, and thanks to our Graduates we have been voted the 'Best Graduate Employer in Insurance and Accounting' for the last four years on Job Crowd, the UK's leading graduate review website. This year, we were also proud winners of the 'Best Support' Award in the smaller employer category.*

*We are extremely excited at the prospect of extending our programme to talented graduates in Denmark who wish to embark on an insurance career.*

*With our comprehensive induction and training, development support and a series of structured placements across the business, we are confident that our programme provides graduates with all the skills required to become a first class underwriter.”*

If you would like to apply for this exciting international opportunity, our website has all the information you need to apply: <http://www.chaucerplc.com/careers/graduates-apprentices/>. Our deadline for applications is 30 June.
